

Welcome to: The Words and Pictures Animation Festival 2024!

A Poetry Animation Competition
For Children of school years 3 to 8, sponsored
by the Friends of Energy House 2

The Aim!

We'd like children from school years 3 to 8, to have a go at writing a poem about sustainability!

What would you like your future home to look like??

Could you express this as a poem?

The style is your choice

How it will work

Children:

Write a poem, by 22nd January 2024. There are only 4 rules:

1. It has to be about your future home
2. It has to be about sustainability
3. It has to be typed
4. It has to be less than 2 minutes, when read out

Teachers/parents:

Send the entries to

marpleeducationltd@gmail.com

What are we looking for? -The Criteria

- Originality
 - Sustainability ideas
 - Excellent language choices
 - Enjoyment
-
- Mark each feature out of 10

The Judging

1. First Round

This will be done by literacy experts

2. Second Round

A group of senior judges from schools, The University of Salford and industry experts will select the runners up and an overall winner.

3. Final Round

The final 6 poems will be chosen to be animated by students from the School of Arts and Media at The university of Salford

Prizes!

- £100 in Amazon Vouchers for the 6 winning poems
 - Your poem brought to life, in an animation.
- Invitation to an An Animation Festival at The University of Salford wards Ceremony.

Next Steps
